song tea

peter luong has worked in tea in san francisco for as long as he can remember – his parents, too, were tea merchants, operating an apothecary that became red blossom tea in chinatown in 2003. peter travels each year to source the vintage's finest teas from china and taiwan, curating a dynamic portfolio of some of the world's most artisan and authentic teas. we have worked with peter to make a selection of his teas to best complement the lao-californian cuisine of commis.

holy basil, herbal, san francisco, 2019 <i>organic</i>	4
blended by peter to replicate the flavors and texture of a high quality green tea without the caffeine. made with three varieties of holy basil and rose	
ruby oolong, alishan, taiwan, 2019 <i>unsprayed but uncertified</i>	12
unsprayed oolong sourced from a 1000m tea garden in the alishan mountains. savoury, with notes of cognac and dried fruit	
old grove honey orchid oolong, guangdong, china, 2017 <i>eu conventional</i>	10
80 year old single-grove selection made for its candied, marshmallow-like florality and sweetness	

purple rose white, fujian, china, 2019 <i>organic</i>	7
a new cultivar and a tea made custom for song tea, this white is especially floral and aromatic with aromas of rose and burdock	
xue long green, yunnan, china, 2019 <i>organic</i>	5
certified organic; flavorful and nutty with notes of pistachio and steamed vegetables
